Pet cemeteries can function as community resources and assets in the same ways as do human cemeteries, and because they are recognized by many people as cemeteries, it is likely that when the public has questions or concerns about pet cemeteries, one place they will turn to for information and advice is the Oregon Commission on Historic Cemeteries.

DIVISION OF CEMETERIES March 1999 CEMETERY BULLETIN

The 1998 legislative session saw the passage of two laws which impact regulated cemeteries in New York State. These include: Prohibition of combinations and management agreements (Chapter 560, Laws of 1998). This law declares that combinations of profit-making ventures with not-for-profit cemeteries raise conflicting business interests.
